FULTON IN THE LEAD

As Predicted Astoria Candidate Is First and Ex-Governor Geer Second.

MULTNOMAH VOTES SCATTER

Vote Was Quiet—Final Result Can Only Be Surmised—Fair Appropriation Bill Is Passed by House.

Salem, Jan. 20.—As all along predicted the voting for United States senator today resulted in Fulton being in the lead, Geer second and no election. The Multnomahs voted for various favorites, but it was evidently done to scatter the vote with the intention of ultimately settling on one candidate and then all will pull together.

Following is the result of today's voting:

Fulton	25
Geer	20
Wood	18
George	6
Pitcock	3
Gilman	1
Mills	2
Williams	2
Hewitt	1
Wolverton	1
Carey	1
Hermann	1
Staples	1
Fenton	1
Kundret	1
Absent	3
Total	90

The detailed vote in the senate was as follows:

For Fulton—Booth, Carter, Dimmick, Kuykendall, Marsters, Rand, Smith of Yamhill, Williamson, Brownell—9.
For Geer—Crossman, Daly, Farrar, Hobson, Howe, Johnson, Mulkey, Stelwer—8.
For Wood—Miller, Pierce, Smith of Umatilla, Sweek, Wade, Wehrung—6.
For M. C. George—Hunt, Mays, Smith of Multnomah—2.
For H. L. Pitcock—Holman, McGinn, Myers—3.
Absent—Fulton.
Total—30.

In the house:
Fulton—Both, Carnahan, Cornett, Edwards, Emmitt, Gault, Hahn, Haje, Hansborough, Hermann, Hines, Lafollett, Miles, Fulton, Phelps, Purdy, Riddle, Shelly, Harris—19.
Geer—Burgess, Danneman, Davey, Ginn, Hayden, Huntley, Johnson, Judd, Kay, Stimons, Webster, Wheelodon—12.
Wood—Blyeu, Blakely, Burleigh, Cantrall, Claypool, Murphy, Otwell, Robins, Test—12.
George—Bailey, Fisher, Hutchinson—3.
A. L. Mills—Malarkey, Reed—2.
G. H. Williams—Cobb, Hudson—2.
R. L. Gilman—Banks—1.
C. E. Wolverton—Hawkins—1.
C. H. Carey—Hodson—1.
Bingr Hermann—Jones of Lincoln—1
George W. Stapleton—Jones of Multnomah—1.
W. D. Fenton—Nottongham—1.
H. J. Kundret—Orton—1.
Absent—2.
Total—60.

No nominations were made in the senate, the simple announcement of President Brownell that a ballot for United States senator would be taken and instructions for the clerk to call the roll, serving the purpose.

In the house Davey of Marion placed Geer in nomination with a lengthy speech. In contrast to this was the nomination of Fulton by Phelps of Morrow and Umatilla counties. His remarks were brief and to the point, the gist of which was contained in the simple statement:

"I wish to nominate a man who is broad enough and large enough to represent the whole of the state of Oregon."

The bill appropriating half a million dollars for the Lewis and Clark expedition which is to be held in Portland in 1906 passed the house today with only five dissenting votes, Blyeu, Gault, Otwell, Huntley and Paulson voting against it. It is expected the senate will pass the bill tomorrow.

The senatorial situation tonight shows no material change. It is quite certain that in a joint ballot tomorrow the two Clackamas representatives, Huntley and Webster, will change from Geer to Fulton, but this makes no change in the real situation. The ballot tomorrow will therefore show Fulton with 30 votes and Geer 18. There is still talk of 12 democrats going to support Geer, but nothing can be learned of an authoritative nature. The

Multnomah delegates will continue to scatter among Multnomah county men.

COCHRAN CALLED DOWN.

Stylishly Dressed Young Woman Calls Missourian a Liar.

Washington, Jan. 20.—The house passed the District of Columbia appropriation bills and subsequently began a consideration of the Philippine coinage bill. A general debate on the District of Columbia bill was largely devoted to a discussion of the Alaskan boundary line dispute.

Cochran (Mo.) denounced as "a cowardly surrender" the course of the state department. Hepburn (Ia.) took up the challenge and contended it with a charge that the democratic administration had surrendered territory between latitudes 49 and 54.40 and also the Republic of Texas.

While Cochran was speaking of the "Truckling policy of the United States to Great Britain" a stylishly dressed young woman in the gallery leaned forward and cried out: "You lie!" She then left the gallery.

PROVIDES PUBLIC OWNERSHIP.

City Council of Chicago Approves Such a Bill on Street Railways.

Chicago, Jan. 20.—Municipal ownership of street railways was provided for in a bill approved by the city council last night and recommended for passage by the legislature. The measure is known as the Jackson bill, and was approved by a vote of 51 to 16, after a long and bitter fight.

The Jackson bill gives every city in the state the right to own and operate street railways and to acquire by purchase or condemnation any existing lines. In any ordinance for street railways given to any person or company a clause must be inserted reserving the right to the city to purchase the plant. The city council is given the power to license its own cars or lease its tracks to any company for a maximum period of 20 years.

Bout for Featherweight Championship Being Arranged.

New York, Jan. 20.—Under the auspices of the Scituate Athletic club of Scituate, N. J. Young Corbett and Terry McGovern may battle for the featherweight championship of the world at an early date. Negotiations between the principals and club officials are now going on and everything points to all concerned agreeing upon terms.

John R. Robinson, representing the Scituate Athletic club, has offered Corbett and McGovern a purse of \$10,000, but the former and the latter's manager preferred a percentage agreement. The Rhode Island matchmaker said he would present the percentage proposition to his associates and give an answer before next Saturday.

The Delaware, Lackawanna and Western Railroad company concluded its case today and the Temple Iron company began the presentation of its side of the controversy.

NEEDED ONE VOTE MORE

Teller of Colorado Comes Within an Ace of Getting Much Desired Plum.

MIXUP SOMEWHAT ADJUSTED

Lieutenant Governor's Farcical Senate Is Being Rapidly Deserted and Democratic Majority Rules.

Denver, Colo., Jan. 20.—Both houses of the general assembly balloted for United States senator at noon today and Henry M. Teller received 59 votes, only one less than is needed to elect. Senator McGuire (dem.) refrained from voting but subsequently said he would vote for Teller if it should appear that he could be elected.

Soon afterwards the nine regular republican senators, the two who were expelled by the democratic majority and eight contestants who had been sworn in on the steps of the capitol last night assembled in the lieutenant-governor's room and formed a separate organization. The ballot was then taken for senator. Subsequently two of the regularly elected republican senators, Drake and Cornforth, left the Haggott senate and returned to the senate chamber where they announced that they would act with the "regular senate," and would no longer participate in a farce.

Under the constitution Lieutenant-Governor Haycott is pressing the officers of a joint session which is to meet at noon tomorrow to vote for senator. The speaker of the house will be called upon to decide which senate shall be recognized as regular. If the democratic senate is recognized and the house remains with its present membership, as seems likely, Senator Teller may be re-elected. On the contrary if the republican senate is recognized there is likely to be no election and balloting will continue indefinitely.

The republican leaders in the house refused today to carry out the Wolcott program and unsat eleven Arapahoe county democrats.

The senate remains in continuous session but will not remove more republicans pending further aggression by the house.

NO NEED FOR BAYONETS.

Governor of Colorado Declines to Call Out Militia.

Denver, Jan. 20.—Governor Peabody today said: "I do not contemplate calling out the militia. There is no occasion for bayonets."

DIFFERENT HAD CHAMBERLAIN BEEN RELIED UPON

German-English Alliance Getting More Disasteful and Condition of Things Generally Much Deplored.

New York, Jan. 20.—The comment is sometimes made that the British government would not have surrendered in dependence of action in the Venezuelan affair if Mr. Chamberlain had been fully consulted, says a Tribune's London dispatch.

A most credible explanation of the Anglo-German coalition is that it was a substitute for the details of the secret partnership in East Africa, which the ministers were not prepared to reveal. It seemed a safe undertaking, for the Washington government had not objected to the collection of the German debts under carefully defined restrictions and could not reasonably discriminate against England. Nobody outside the foreign office supposed that the Washington government considered England's agreement to assist in collecting Germany's claims against Venezuela a friendly act or that the continuance of wanton acts of provocation by the German fleet, like the attack upon San Carlos fortifications, is consistent with British traditions of pacific diplomacy.

It is considered highly probable here that the German attack upon the fortress of San Carlos will not only prolong the Venezuelan situation, but make it more acute. The Daily Chronicle says that whatever the real facts of the incident may be, there can be no doubt that the success of the negotiations are seriously imperilled.

Madden was sentenced to serve six months in the house of correction and pay a fine of \$50. Kelly's case was placed on file.

AGUINALDO PETITIONS

Communication Presented to Congress From Former Insurgent Leader of Filipinos.

LOAN AND CREDIT REQUESTED

Funds Needed for Threatened Distress in Insular Possessions—Prompt Action Is Asked for.

Washington, Jan. 20.—Secretary Root has transmitted to the senate and house copies of a petition received by him through Governor Tatt from Aguinaldo, late insurgent leader in the Philippines. The petition is a remarkable presentation of the conditions now existing in the Philippines and Secretary Root hastened to send it to congress, because it demonstrated the necessity for prompt action by congress to prevent disaster and distress in the archipelago. Aguinaldo proposes to obtain from the congress of the United States treasury a loan of \$20,000,000 gold, and credit of \$20,000,000 which will guarantee an issue of paper to serve as money in the islands. This sum shall be issued for the development and improvement of Philippine agriculture and shall be paid within 20 years.
